

Application for Issue, Amendment, or Re-Issue of an Airworthiness Certificate - Standard and/or Restricted Category

Application requirements and instructions for completing the form

- a) The CAA Standard Rate hourly charge applies. See fees, levies and charges on the CAA website for more information.
- b) Refer to Advisory Circular AC 21-2 before completing this application.
- c) To help coordinate availability of staff and to plan travel, applications with acceptable evidence of conformity, as defined in AC 21-2, should be submitted to the CAA not less than 28 days prior to the inspection date requested in Section 6. Provisional information can be provided for some details, on the condition that the complete information is provided well before the aircraft inspection date.
- d) Note: Applicants should clearly understand that unless all the entries on this form are completed accurately and fully prior to the aircraft inspection date, the issue of an Airworthiness Certificate may be delayed.
- e) Applications for aircraft without acceptable evidence of conformity should be submitted to the CAA AS SOON AS THE AIRCRAFT ARRIVES IN MONGOLIA, or AS SOON AS THE DECISION TO REBUILD/RESTORE/ RETURN THE AIRCRAFT TO SERVICE IS MADE.
- f) Entries on this form should be typed or printed in block letters. Full model and component designations are required (refer to the manufacturer's data plates).
- g) The charges associated with the issue of the Airworthiness Certificate will be invoiced to the registered owner of the aircraft described in section 3 unless otherwise requested in writing.
- h) The applicant may be required to provide English translations of any foreign documentation.
- i) **Submit completed application and supporting documents to either:**
