

Application for issue of Special Flight Permit

Instructions and advice for completing this application form

- a) The CAA standard rate hourly charge applies. Follow the link for information on fees and charges
- b) Refer to Advisory Circular [AC21-9](#) before completing this application.
- c) Entries should be typed or printed in block letters. Full model designation is required (refer to the manufacturer's data plate).
- d) Applicants should clearly understand that unless all entries on this form are completed accurately and fully, the issue of a Special Flight Permit may be delayed.
- e) The charges associated with the issue of a Special Flight Permit will be invoiced to the registered owner of the aircraft described in Section B, unless requested in writing.

f) **Submit the completed application to either:**
