

AIRPORT SAFETY

Be aware of moving vehicles on the airfield.

Always hold an adult's hand. Running near aircraft is dangerous.

Hold on to loose clothing.

Be alert on the apron - it is a busy place.

Do not touch any part of the aircraft.

No mobile phones, no smoking.

Follow the pilot's instructions.

Remain clear of aircraft until you are asked to board.

Keep clear of propellers. They can be hard to see, even when they're not turning.
